**Fashion Design Class**

This class combines fashion illustration and storyboards. The first board is a collage of inspirational cut outs from magazines; the second consists of the students' fashion illustrations done in class along with fabric and color swatches. Students will present boards on Friday after class.

**Sewing Class**

This class consists of constructing a wrap-around skirt or bathing suit cover up. Students will choose fabric, cut out the pattern on the fabric, sew the garment, and then apply embellishments of the students' choosing- ruffles, pleats, lace, beads, fringe.
